Tales from Sydney – By Year 3 and 4

On Friday 21st August, Millfield and Paxton Public School’s Year 3 and 4 went to Sydney for our excursion to support our HSIE Unit. (Mason H)

When we got off the bus at Milson’s Point, we walked across the Sydney Harbour Bridge. I was frightened when I walked over the bit where the water was, but I overcame my fears. Sydney was spectacular! (Matthew)

We then went on a tour of The Rocks area. On the tour we got to dress up as convicts. I was a girl named Mary. I had 2 children and a husband. I stole a loaf of bread. I was sent to a funny land for 22 years. (Molly R)

Then we went on a ferry to darling harbor. It was so amazing looking under the harbor bridge. (Jasmin). When we got there we saw a navy ship and a submarine (Tane).

We then went to the Sydney Sea-Life Aquarium and I saw a huge sting ray and a school of fish. I got a toy sea horse from the shop. (Lily).

I recommend people should go on this really good excursion. I think it is 5 Stars !!! (Kyedon)

Photos Available- Group photos from the aquarium are available for purchase through the aquarium’s website. Follow the instructions (right) if interested.
Reduced price for Intensive Swimming. (Now only $10/Child)

We have been lucky enough to secure extra funding from the Australian Sports Commission which will make swimming even greater value. The week of intensive swimming lessons will now only cost $10 per child!!! This is an amazing price for a weeks’ worth of lessons in such an important life skill. More information about this program will be sent in a permission note next week.

Book Fair Continues

Thank you to everyone who has already supported our Book Fair as part of book week. Our book Fair will continue until next Friday so there is still time to come and check out the wide range of books and items for sale.

Father’s Day Breakfast - 4th September

It is the time of year that all dads have been waiting for! The Father’s Day Breakfast will be held from 8am-9am next Friday 7th August. All dads are invited to attend and enjoy some bacon and eggs for Brekkyie followed by our annual Paper Plane Competition and Dads v Kids soccer game. A Father’s day stall will also be held on the Friday with gifts from $2 - $5 available for purchase.

From the Kitchen Garden Corner

Unfortunately our Bunnings Garden extravaganza has had to be postponed. We hope to get this organised for a time again later in the term.

In the Garden with Radishes & Broccoli- Our existing gardens provided lots of teaching opportunities this week. Students learnt about how and why plants go to seed and that sacrificing a quality vegetable can improve the crop for the following year. We found some bugs on our lettuce and tried to identify them by researching on the Ipads. The most exciting part of the afternoon was harvesting our very first BROCCOLI! We planted some new spring vegetables in our climbing garden and planting boxes. We can’t wait to see our tomatoes, beetroot, parsnip and capsicums grow!

In the Kitchen with Carrots- This week our superchefs made some delicious spinach and feta Triangles using some of our tasty spinach from the garden.

The simplest way
...to get organised for school lunches.

Over the course of your child’s school life, you will pack around 2,500 school lunches!

Follow our six-step method to make school lunches easy, healthy and eaten every day!

1. Always include a serve of fruit (cut up if your child is young)
2. Always include a serve of vegies (don’t forget legumes like baked beans count, too!)
3. Always include a drink of water
4. Always include a serve of wholegrains (bread, rice or pasta leftovers)
5. Always include a serve of reduced-fat dairy (cheese, yoghurt)
6. Always include a protein (egg, chicken, tuna).
